NOMINATION 2023

Dear colleagues, partners and clients

IMCI+ is about to celebrate its 20 years anniversary. This alone is reason enough to party. This year we will also celebrate our 7th Global Summit. The IMCI+ Alliance members have decided to organize this event in Dubai – UAE. The Summit will be held during the days of 22.11. and 23.11.2023 and is also extended to key stakeholders, clients and partners. This time, we also have organized a public part, during the evening of 22.11.2023.

For this occasion, the Management has decided to nominate outstanding members and clients with three different awards.

- + The Performance Award
- + The Contribution / Leadership Award
- + The Special Award

On behalf of the Board of Directors and the Sr Management team, I wish to congratulate the nominees for their outstanding performance and contribution. It is a sign of recognition and gratitude to present all of them, my most sincere THANK YOU.

Kindest regards.

Modesto N Peña y Gorrin
Founder / Chairman / CEO
